

IN STORE PRODUCTS & SERVICES

**Over 8,000
Hydraulic and Pneumatic Products In Stock**

HSC Store Commitment

Hydraulic Supply Company (HSC) is a full-service distributor of hydraulic and pneumatic products.

Our goal is to provide customers with a large selection of hydraulic and pneumatic products with the best professional services, right when you need them, to keep your operations productive and reduce downtime.

Hydraulic Supply Company retail stores are certified Eaton® Aeroquip Hose Centers. Our dedicated hose specialists can build your hoses right when you need them at this location.

Hoses are made here while you wait.

- **Large selection of products** -over 8000 products in stock at our retail stores and access to thousands more from our Central Distribution Center.
- **Knowledgeable and certified staff.**
- **Professional service and support.**

Fluid Power Products Right When You Need Them

Because managing your inventory can be costly for your company, having a conveniently located HSC store near your facility gives you access to our large inventory of hydraulic and pneumatic components and parts right when you need them.

Hydraulic & Industrial Hose Assemblies

We are a complete hose fabrication shop. As an Aeroquip Premier Distributor, we carry a large selection of Aeroquip hoses, fittings and adapters, including Matchmate Plus™ hoses.

Air Lines - Fuel Lines- A/C Lines- Power Steering & Transmissions Lines

Tube Bending & Assemblies

We offer custom-made tubing assemblies, bending and flaring hydraulic steel and stainless steel tubing from 1/4" to 1-1/4" O.D. to meet your requirements.

Cut & Weld

Do you have a defective hose used in air conditioning, fuel or power steering with special ends? We can use your existing fittings, provided they are in good condition and cut/braze them to a brand new hose!

24 Hour Emergency Service

Because things don't always go as planned and unforeseen events do occur, we also offer 24 hour emergency service. Please contact us at **(800) 432-6413**.

Coming Soon Hydraulic Repair & Service Center

Our modern Hydraulic Repair Service Center uses the latest technologies for the repair, manufacturing and refurbishing of hydraulic components with the fast turnaround time that you need.

Specialty Marine Products

Our marine products include fuel hoses, exhaust hard wall and soft wall hoses, high temperature silicone exhaust bellows, stainless steel clamps, stainless steel and brass crimp, socketless and reusable fittings and stainless steel and brass adapters. From leading brands like Eaton, Aeroquip, SSP, Trident Marine and Flexfab.
